Overview

Gaia Olives is a family business located in Olynthos, Chalkidiki (Greece)

01

We produce, process and standardize edible green Chalkidiki and Kalamon olives

Our long years of experience, allow us to be innovative in the field of olive process

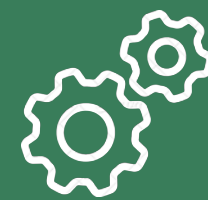

02

03

Emphasizing the production process, we ensure high quality and special features in our products

We are equipped with modern olive machinery, which helps us to faithfully follow the production process

04

Objectives

Objective 01

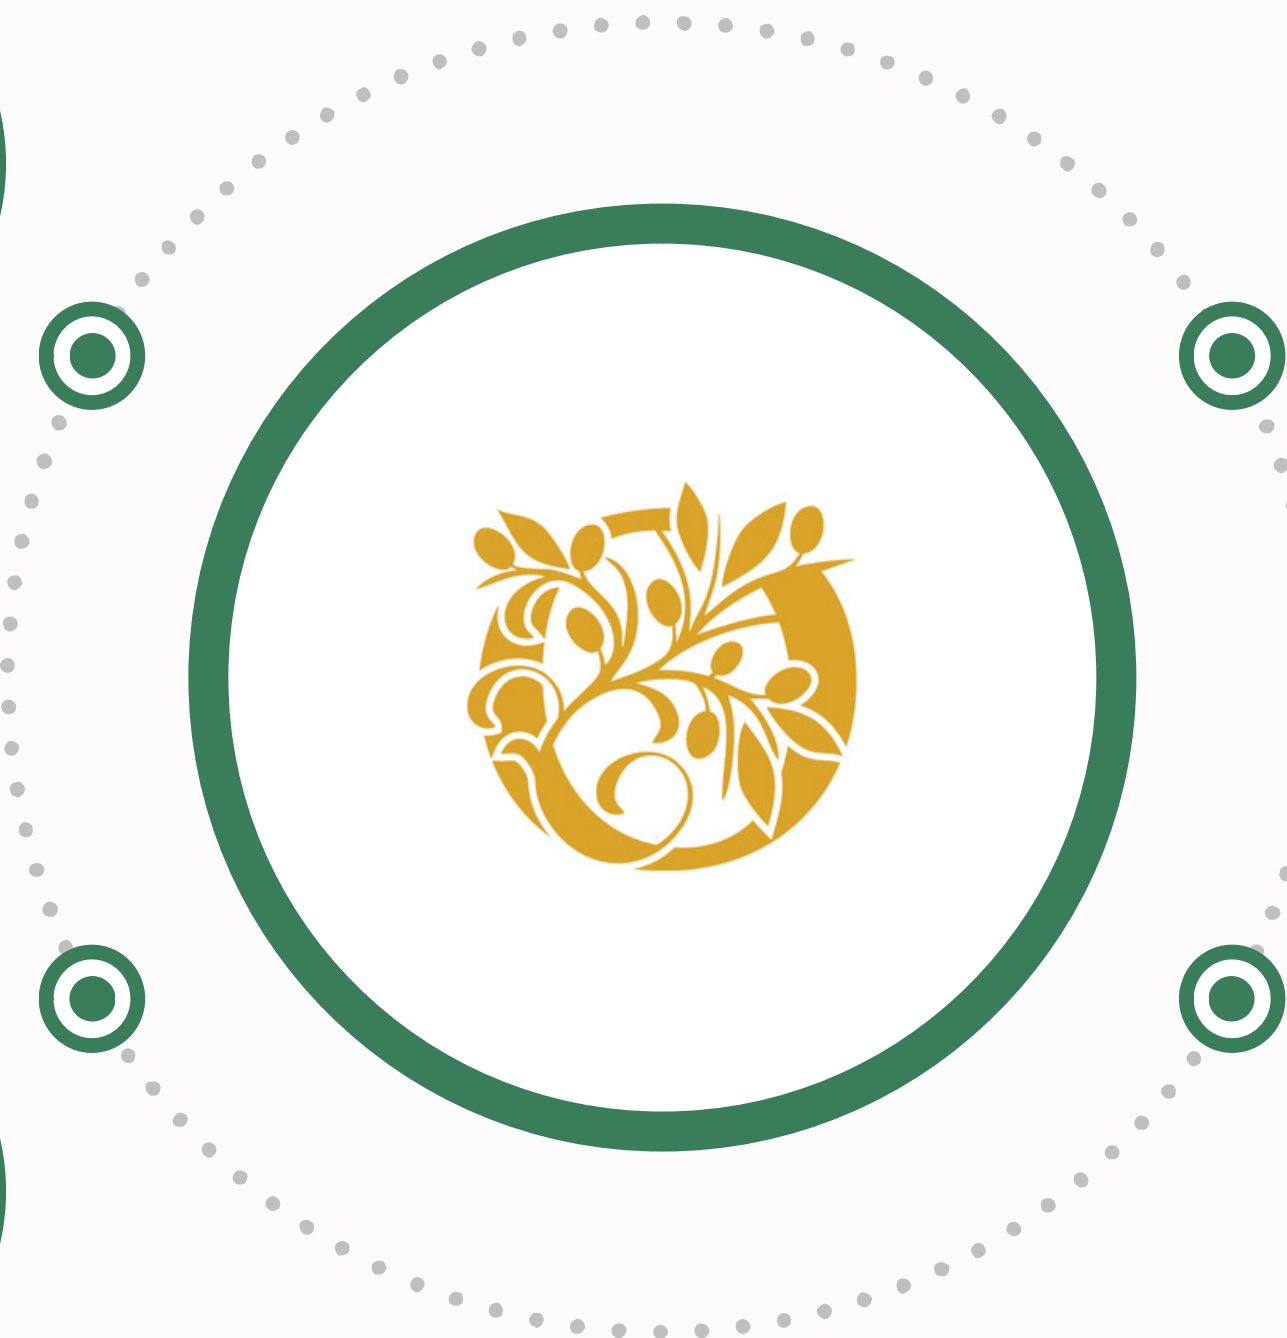

Our vision includes our product reaching the highest standards within the global market

Objective 02

Proving the highest level of quality and nourishing value of Hellenic products, especially olives

Objective 03

*Promote Greek's role as a very important member of the international community for **Chalkidiki olives** and **olive oil products***
